TWILIGHT
The vision dancing in my mind,
The stars above the dome of time,
Brightly twinkling through the vastness,
Are I awake or am I dreaming,
The universe around me seems,
Right in the middle of my eyes,
Highly and brightly glow away.

With your head held high and your mouth
open,
You never know on the dawn the open skies
By either side of my face,
The universe around me seems,
Right in the middle of my eyes,
Highly and brightly glow away.

Chorus
Twilight, I can see you in my mind
And from time
to time,
Across the night I can see your face
The thought of you is in my mind
By either side of my face,
The universe around me seems,
Right in the middle of my eyes,
Highly and brightly glow away.

Chorus
Twilight, I can see you in my mind
And from time
to time,
You never know on the dawn the open skies
By either side of my face,
The universe around me seems,
Right in the middle of my eyes,
Highly and brightly glow away.

Chorus
Twilight, I can see you in my mind
And from time
to time,
